

MAGICAL WOODLAND RETREAT

NORTH STAR CLUB

YORKSHIRE

ESCAPE & RELAX

As wedding venues go they don't come any more special or unique than the new North Star Club.

Nestled within a fabulous Yorkshire woodland between York and Beverley, this beautiful retreat blends sophisticated style with rustic chic. Whether you're looking for an intimate celebration or a huge theatrical affair we can help you create the wedding of your dreams.

Weddings at North Star are inspired by the magical woodland and the vibe is relaxed and informal.

Say I Do..

At present North Star Club does not hold a wedding licence however we can offer you a wedding blessing ceremony provided by one of our trusted and experienced celebrants.

There's no set script instead each wedding is tailored to meet your requirements; so you can set the tone that's right for you.

The humanist blessing/ceremony can be held in two seperate areas at North Star Club dependent on your number of guests.

The authentic Woodshed provides a unique indoor backdrop for a more intimate ceremony for up to 40 people.

The Woodlands themselves provide a perfect open space for up to 100 guests.

Feast..

Yorkshire is full of wonderful artisan producers and chefs - we have chosen three of the best.

One of our three different caterers can provide you with a wonderful feast to remember; they can whip up anything from a traditional three course sit down dinner to street food style buffets.

Sourcing and using the freshest, local ingredients, our caterers will work with you to achieve your ideal menu.

All of our wines and champagnes have been handpicked to perfectly compliment the venue and its surroundings.

Stay..

At the moment weddings at North Star Club require all of the accommodation to be booked, we currently have 5 suites, each of which can sleep up to 6 people.

Our weddings are generally weekend affairs and include exclusive use of the club's facilities for a 2 night period.

Houghton Hall..

We are delighted to now be able to offer the East Wing of Houghton Hall, a fabulous Country House, for any groups requiring extra accommodation.

Available for events taking place between mid-September until mid-April, Houghton Hall, is 10 minutes' walk from the club. This delightful wing can sleep up to 12 guests.

The nitty gritty..

You will have exclusive use of the camp area in the woodland during the period of your wedding, so no worries about being disturbed by other people!

Our weddings are generally weekend affairs and we therefore require all of the accomodation to be taken. The Star Suite is included in the wedding packages and will be reserved for the bridal couple - all other accomodation must be booked and paid for by other guests.

You may have exclusive use of the camp woodland from 2pm on the day of your arrival until 10.30am on the day of your departure.

So not to disturb local villages, amplified music can be played until 11pm then after that it's acoustic music to round the evening off.

All our wedding package prices include the following;

- Exclusive use of the camp woodland area, campfire, woodshed, communal toilets, car park
